**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic residential subscribers do exist, and our members would be "materially affected". In fact, those effects would be profound; without access to UNE services, Sonic wouldnt have been able to connect consumers while we build our fiber networks, nor fund the construction of our fiber networks. And once fiber networks are built, UNEs are still used they connect from city to city and are the key backhaul for all of our fiber networks.

I used to subscribe to Comcast, but the customer service was horrible. We switched to Sonic. Im Saying NO to price hikes that will increase the cost of internet and telephone services.
